Trained support staff

Storyboards

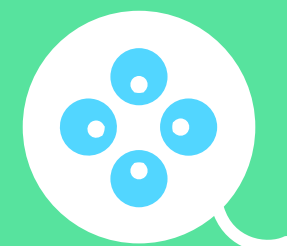

What to expect

This is the ultimate chance for your teams to recreate some of Christmas' most famous movie and music video moments. With Home Alone, Die Hard, Elf, Slade, Wham and more to choose from what will you decide upon?

Armed with the latest iPad Mini, pre-loaded with the perfect movie making app, teams can film their greatest selection of clips to share with the world. Each team will have to script write, costume, direct, act, and film their own TV clip with our iPad minis. As teams piece all of the footage together, their aim is to recreate a memorable Christmas moment that will go viral!

Our technology experts will be on hand to offer advice and encouragement to create the most festively impressive video.

THE BIG PICTURE CHRISTMAS EDITION

The Big Picture is the ultimate creative team building activity. Having no idea what the final image will be and using the collective power of teamwork, everyone comes together to complete an awe-inspiring piece of artwork with a festive twist!

INCLUDED IN THE EXPERIENCE

Personal event manager

Trained event staff

All equipment and consumables

What to expect

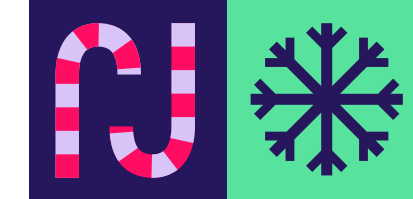

Participants are divided into groups, each responsible for painting a small segment of The Big Picture. Having no idea what the final image will be, teams must work together to ensure that all lines meet and colours match up. The painted image can be a representation of a company's brand, conference theme, values, goals or even a recreation of a famous work of art, all with a festive twist.

Upon completion, the final masterpiece is unveiled for the first time to the inevitable sound of thundering applause and enthusiastic cheers. The completed work can be proudly displayed back in the office, or donated to charity as a constant reminder of what can be achieved through teamwork.

This creative team bonding exercise requires effective colour coordination and collaboration is required for each canvas to fit perfectly. Most of all it is a fun, memorable event suitable for everyone.

If your team are looking for more of a challenge then request our games package which includes 12 fun activities which need to be completed in order to earn paints, brushes and canvases.

activity 3 SANTA DASH TREASURE HUNT

The perfect Christmas event if you fancy a challenge! Teams partake in tasks and solve a myriad of challenges against the clock in order to be crowned the winner.

INCLUDED IN THE EXPERIENCE

iPads

Personal event manager

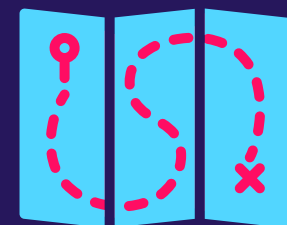

Trained support staff

What to expect

Using an iPad, each team will be in a race against time to find the GPS locations on the interactive map, while utilising the live scoreboard and instant messaging service. Teams will be faced with a raft of hilarious photo and video challenges, general Christmas trivia questions and location specific tasks.

This is an ideal Christmas office party activity or simply an enjoyable afternoon out of the office! Why not compliment your Christmas treasure hunt with a delicious Christmas lunch or dinner as your teams work up an appetite? The day is then completed by the announcement of the all important results.

All equipment and materials

Full pre-event support and planning

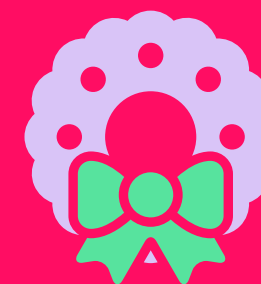

What to expect

A wreath making workshop is exactly what your team needs. Wall and door hangings bring Christmas cheer every year so why not customise your own sentimental piece while sprucing things up?

Dig into our bounty of festive materials to customise your wreath to suit your own style and taste. Whether you want to use fun festive ribbons and colourful baubles, or go for a more traditional Christmas wreath using cinnamon sticks, dried orange pieces and pine cones. There will be plenty to inspire you at this festive craft workshop! Complete your customised wreath using our festive haberdashery of trims for the finishing touches and add the perfect bow using luxurious ribbon to hang up your creation at home with.

The finished creation will be an everlasting wreath with lots of seasonal charm and festive goodies, from berries and cinnamon sticks, to flowers, leafy greenery and much more. Your wreath can be used year after year, making this the perfect festive memento.

GINGERBREAD CREATIONS

This fun activity combines creativity, teamwork and a sprinkling of friendly competition. Plus, you can share the delicious results at get-togethers with family and friends.

INCLUDED IN THE EXPERIENCE

Games master and host

Themed photos of the event

Choice of prizes

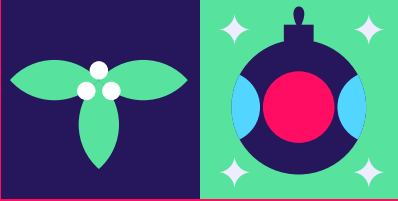

What to expect

Our decorating kits are packed with everything you'll need for fun decorating and fab results. Each team will receive over a kilo of unique edible décor like gummy-inspired materials, sprinkles and cake colouring gel, plus tools like professional piping bags and tips. The only thing your group will need to add is imagination!

Your team will carefully construct their masterpieces around a central theme of their choosing. Themes chosen in past years include Winter Wonderland, the North Pole and a company's own offices. Part of the challenge is making sure that together, a team's individual pieces fit together to tell a connected story.

Once all houses are complete, each team gets to pitch their village presentation to the entire group. A panel of judges narrows the field down to three top creations before declaring one the ultimate winner.

This is a perfect event for your Christmas party, either as a stand-alone or add-on event. And yes, you can also choose a simplified version of this event where you build, decorate and socialise, with your host, supplying humour, building tips and music.
